Dear Mr. Potokar:

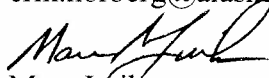

This letter and the enclosed 2014 Annual Report are submitted by the Alaska Department of Transportation and Public Facilities (DOT&PF) in accordance with Paragraph 9(c) of the Clean Water Act Consent Decree. The reporting period is from January 1, 2014 to December 31, 2014.

The 2014 Annual Report is contained in the enclosed sections:

Statewide 2014 Introduction and Summary
Northern Region 2014 Annual Report
Central Region 2014 Annual Report
Southeast Region 2014 Annual Report
Statewide Public Facilities 2014 Annual Report
Appendix A 2014 Annual Report

The department has three Regions (Northern, Central and Southcoast) and a Statewide Public Facilities Section that separately maintain records for Active Projects within their jurisdiction. Therefore, the 2014 Annual Report is arranged to provide required information by these four functional units, with the exception of the two requirements regarding the current Alaska Certified Erosion and Sediment Control Lead (AK-CESCL) Course and department-sponsored AK-CESCL trainings, which are addressed in the statewide section of the report as these items are authorized at a statewide level.

If you have questions regarding this submittal, please contact Erik Norberg at 907-465-6964 or erik.norberg@alaska.gov.
